Perri

Perri is a minimally designed downlight with trim or trimless option. Once installed Perri is discreet yet functional due to its adjustable centre component. With the lamp positioned high within the fitting Perri is low glare and in addition to its reliable light source, appears to effortlessly glow from the ceiling. Perri is also available for use with the a variable White WIFI LED lamp allowing you to dim and change the colour temperate from 2700 – 6500 Kelvin, remotely via your smartphone or tablet.
